Seats	3

This compact, space-saving and indestructible bench seats two to three people on separate wire mesh seats. Simultaneously, minimal space is required for installation. The bench is mounted either as a post assembly or as a ground assembly for anchoring or setting in concrete. The substructure is hot-dip galvanised and powder-coated according to RAL to protect against corrosion. The load capacity is 100 kg per person according to EUROCODE 6.3, category C 2.

- **Two-seater wire mesh bench**
- **Free-standing bench with foot plates**
- **Powder-coated and painted according to RAL**
- **Load capacity per seat 100 kg**
