High-quality designer bench suitable for the octagonal pavilions of our „Paris“ model series. This shelter in attractive pavilion style brings your employees, customers or guests together and is now even more comfortable with the bench. The seat is made of robust and durable pine. Thanks to the precisely fitting angular

construction attached to the pavilion supports, the bench seat makes for a perfectly designed cosy corner. The two parallel planed timbers are varnished, chamfered and impregnated to be weatherproof. The metal parts including the posts and substructure are galvanised and colour-coated in RAL 7016 anthracite grey.
