Our shelter system „Regensburg“ protects its occupants in any weather - rainy days or intense sunshine. The pyramid roof is an eye-catcher and invites to rest. This way, not only public spaces but also restaurants, shops and hospitals can offer shelter for their visitors and customers. The roof is also available with tinting

and optional UV-Protection. Additionally, we offer matching ashtrays and standing tables. All RAL-colours are available for colour coating. The shelter system „Regensburg“ can be bolted down or paved over.
