The popular BSK model range accommodates your DIN-size notices from 1 to 9 times A4 in landscape or portrait format and is suitable for indoor wall mounting. The construction of torsion-resistant, silver-coloured anodised aluminium profile is just 22 mm deep and impresses with its modern, rounded Softline profile, which simultaneously reduces the risk of injury.

The hinged doors with unbreakable acrylic glass panes keep the entire notice space visible and are comfortable and convenient for anyone to use. A security lock protects against unauthorised access. With the magnetic rear panel and four included magnets, your notices are quickly attached and your staff, customers or guests are immediately informed.
