Our notice board City-Light is the right choice if you want to attract attention in the city. Because of its robust, maintenance-free aluminium construction, you can use the product inside and outside. You can mount it to a wall or place it on the floor with a stand - your imagination is the limit. The self-opening swing door is equipped with a gas strut so it holds securely in

the open position. Additionally, the integrated, lowerable snap frame allows you to easily change the contents and prevents them from folding. Finally, the Osram-LED lighting ensures that even at night, your message comes across. All in all this notice board helps your message to stand out.
