The particularly economical MSK model series offers space for your DIN posters from 1 to 4 times A4 in landscape or portrait format and is suitable for wall mounting indoors. The torsion-resistant, silver-coloured anodised aluminium profile frame is just 22 mm deep and impresses with its modern Softline profile while simultaneously protecting against injury. The swinging door

of unbreakable acrylic glass provides clear visibility of the entire notice space and is comfortable and convenient for anyone to use. A security lock protects against unauthorised access. Your notices are quickly attached to the magnetic rear panel with the four included magnets and your staff, customers or guests are immediately informed.

- + Modern rounded Softline profile
- + Dimensions in DIN A4 grid
- + Swinging door with impact-resistant acrylic glass
- + Magnetic back wall, white (incl. 4 magnets)
- + Shipped in impact-proof, recyclable cardboard
