A premium class showcase which sets standards in quality and functionality. For all those who have essentials to communicate. High-quality craftsmanship and anodised aluminium profile or, if desired, powder-coated in RAL colours. The TR model comes with rounded corners to prevent injuries. Tempered safety glass. Permanent ventilation preserves the case and contents. The scratch-resistant and magnetic aluminium-silver rear wall

and vandal-proof security locks with patented frost protection ensure a long service life. Gas pressure springs with a safe 85° open position ensure ease of use, and the optional LED lighting displays the contents even in the dark. In summary: the TN/TR range leaves nothing to be desired, whether as a wall or free-standing model, in foyers or in front of buildings; and all that with a ten-year warranty!
