The SSK model range accommodates your DIN-size notices from 8 to 18 x A4 in portrait format and is suitable for indoor wall mounting. The silver-coloured anodised aluminium frame is just 30 mm deep and reduces the risk of injury with its modern Softline profile. The tempered safety glass sliding doors are conveniently

guided on black plastic rails. A slide-blocking oprotects against unauthorised access. Your notices are mounted in a flash on the magnetic rear wall with the four included magnets and your staff, customers or guests are informed in an appealing fashion.
