Above the comfortable parking space with place for four bicycles and mountain bikes of all types with tyres up to 55 mm wide, the RW advertising bike rack features a striking, round and double-sided 600 mm diameter advertising surface – an eye-catcher in pedestrian zones, in front of entrances to restaurants and shops

which even pedestrians can't miss. The RW can be ordered in your RAL colour of choice so that it fits your corporate design. After closing time, simply lift your RW advertising rack with one hand and effortlessly roll it to its storage location.

- + Sturdy tubular steel construction
- + Corrosion-resistant, value-retentive through galvanising
- + Round 600 mm diameter advertising space
- + Optional choice of RAL colours
- + Side-mounted rollers for easy relocation
