Clear height	2540 mm
Clear depth	4440 mm
Location	Indoors
Electrical package	StarterPlus
Colour	RAL 9002 - Grey white
Base area	15,00 m²

In the entrance area, the MultiRoom does not require any additional threshold, which enables an absolutely seamless transition into the interior for lift trucks or wheelchairs. Thanks to the all-round tubular frame made of solid steel tubing, the stability of the room system is still guaranteed. With the MultiRoom, you have the flexibility to adapt your room to your needs at any time.

- **Barrier-free access**
- **Use of existing on-site infrastructure**
- **Can be placed directly above the machine as an enclosure**
- **Pre-configured or individually planned**
- **With coordinated electrical packages if required**
