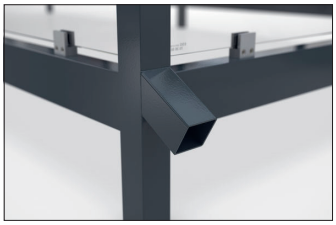
Roof type	Troughed sheet
Colour	RAL 7024 - Graphite grey
Base area	11,10 m²
Mounting type	Floor mounting
Base material	Steel
Snow load	1,50 kN/m²



Based on our popular „Köln“ model range, this shopping trolley box combines timelessly elegant design and functionality. Thanks to the durable steel construction, it can withstand even the toughest weather conditions and impresses with a high snow load. Your shopping trolleys are protected, which increases their service life and improves your customers‘ shopping experience thanks to dry handles. Choose from different sizes optimised for your application. The walls are made of toughened safety glass (ESG) and provide a clear view. The trapezoidal sheet metal roof covering with integrated LED lighting is compatible with our green roof system. The canopy is delivered to you fully assembled, dowelled in place and then paved over. Your workflows are not disturbed.

- **Hot-dip galvanised flat roof steel construction**
- **LED lighting integrated into the roof**
- **Various sizes available**
- **Roof covering made of trapezoidal sheet metal, walls made of toughened safety glass (ESG)**
- **Delivered fully assembled**
