External power supply unit	No

Our Notice boards are also available with LED-Lighting, so even at night, your message is in the spotlight. Their low energy consumption and their long lifespan both save you money. Because of their narrow design, they can illuminate the notice

board evenly. Therefore, your content makes the right impression at all times. A neutral colour temperature of 4000 Kelvin ensures that your poster looks pristine and just like you envisioned. Our lamps can be used in- and outdoors.

- + Low energy consumption
- + Long lifespan
- + Illuminates your notice board evenly
- + Neutral colour temperature (4000 Kelvin)
- + For in- and outdoor use
