Your choice as a solid, affordable entry-level model: The E display case. The torsion-free, angular aluminium construction in high-quality (aluminium-silver) anodising enhances its pragmatic, clear design. The toughened safety glass front pane with weatherproof rubber seal ensures optimal protection against wind and weather. The gas pressure springs fitted as standard make it

easy to open the hinged front and the automatic locking feature enables it to close with a safety lock. Opening the hinged door upwards allows weather-protected exchange and adjustment of the notices. These are designed to fit the practical, optionally available clip-on acrylic pockets (with headline).

- + Excellent value for money
- + Standard gas springs for door opening
- + Wall and stand mounting possible
- + Especially suitable for hanging in clip-on pockets
- + Incl. text panel of white acrylic
