Our model ES is a complete presentation system with a modern softline look. The torsion-free aluminium construction comes with a magnetic rear wall powder-coated in RAL 9010 pure white or RAL 7016 anthracite grey. Customised labelling printed on a white

acrylic glass is possible. The ES has a comfortable wing opening upwards, safety locks, toughened safety glass with weather-proof rubber sealing and ships with ten magnets.

- + High-quality, anodised aluminium construction for in- and outdoor use
- + Comfortable cover opening assisted with gas struts
- + Sealed toughened safety glass
- + Magnetic rear panel, 10 magnets inclusive
- + Text panel for labelling included
