It is the ideal frame for a poster. The PN-Z poster notice board impresses with its exact fit to poster media in A1 format and is therefore perfectly suited for classic posters. With a depth of only 30 mm it can be mounted on the glass pane of a shelter system. The rain-tight swinging door is equipped with single-pane

tempered safety glass. The easily accessible security locks ensure closing convenience. Maximum safety is ensured by the MPA fire-protection certificate for low flammability for all models with tempered safety glass.

- + Exceptionally minimal installation depth (30 mm)
- + Magnetized rear wall
- + Available in the exact fit for A1
- + Single-pane tempered safety glass
- + For mounting on glass panes
