The Wall-mounted Bicycle Holder 3730 consists of a sturdy, fire-red coated steel construction which, with its maximum load capacity of 30 kg, can accommodate even most pedelecs and which is also 3-fold variable. Firstly, the rotatable and lockable support arms can be individually adapted to almost any bicycle. Secondly,

the rotating angle can be adjusted, which is ideal for women's bicycles. Thirdly, the support arms can be swung away after use to save space and prevent injury. Practical hooks for a helmet and bicycle clothing or other accessories are also integrated into the wall mount. VSF certification.

- + Stable, 3-fold variable steel construction
- + Maximum load capacity of 30 kg
- + Suitable for almost all bicycles and most pedelecs
- + Hooks for helmet and accessories
- + Easy wall mounting
